Virtual Failure Night

Number of participants: **13-20**
Length of the format: **90 min minimum**
Characteristics of participants: **Anybody interested**

- Learn**
- Act**
- Connect**

Goal

Learning how to turn a failure into something positive; preventing losses by finding early stage mistakes; eliminating the sentiment of hierarchy; generating a culture of inclusion.

Description

During a failure night, people from across an organisation are invited to share a failure they went through. They provide the audience with key learnings and insights that might help them.

Brief Agenda

| WHEN | WHAT |
|---------------------------------|--|
| Before the date of event is set | Select a date and time |
| Five weeks before the event | Create a call for speakers to identify and invite presenters. |
| | Select a diverse lineup of speakers. |
| | Help speakers identify the essential parts of the story they want to share in 7 minutes. |
| Two weeks before the event | Start advertising the event. |
| Two days before the event | Collect speaker slides. |
| Day of the event | Ensure tech set-up is in place. |
| During the event | Have the moderator welcome everybody & explain how the program will work. |
| | Speakers share their story and are available for Q&A. |
| After the event | Invite participants to leave their feedback in a Google Doc you prepared. |
